Hi Helen and Andrew,

Here are some times that Nina is available to talk. Which of these work best for you? Monday is a Holiday for the feds anyway, Friday is my most available day.
I think the conversation may be most open with just me and one Ecology person, but am flexible to add more if there is interest in doing so.

Hi Dave,

(b) (6)

Here's my schedule for next week as of right now (it won't stay that way):

Monday – open
Wednesday – open
Thursday -- after noon
Friday -- open

With regard to the time difference, I will admit to preferring not to talk before 9 Pacific. Including Ecology is fine.

Hi Nina,
I would like to set-up a time to talk with you about the Deschutes TMDL. Can you provide me some good times for you? It might be best to include someone from Ecology in that discussion, so I will plan to provide your prospective times with them to see if we can find a mutually agreeable time, unless you feel differently on that matter. Next week (b) (6) and will still be conducting work calls, but will be on EST.

Hope you are well.
Dave
